

FIXONI Textile marker

Application area

- FIXONI Textile Marker for permanent marking of textiles
- Industry marking on fabrics

Product properties

- Resistance for acids and alkalis, peroxide-chloride-bleach
- Available in: yellow, rot, black

Handling instruction

Application note for: FIXONI Textile Marker K Series
Shake pen well.

Take off cap, before the first application hold pen upside down and briefly de-aerate by simultaneously pressing the tip (for example above a paper or cloth).

If Ink stops to flow well, press again.
Replace cap after use.

Application note for: FIXONI Textile Marker N Series

Shake pen well. Take off cap, before the first application hold pen upside down and briefly de-aerate by pressing with thumb. Hold pen with tip pointing downwards and press slightly until tip is soaked with dye.

If Ink ceases to flow well, press again. Replace cap after use.
